This would go to Region 6 as they are the owners of the TAGA data. That said I believe that the Region has publically posted all the TAGA data.

Apparently, this should go to ERT.. Who handles the responses for ERT, or does this go to Region 6. See comments below.

This FOIA is being transferred to OLEM for action since their office is handling the response in relation to Hurricane Harvey. Please "task" OAR for coordination if necessary. Thanks
